08 MAZDA5

ENOUGH TO TILT A LEVEL PLAYING FIELD.

EVEN WITHOUT CARGO, IT'S LOADED.

The 2008 Mazda5 Multi-Activity Vehicle is slimmer, sportier and way cooler than your typical family transport. Yet it's practical – with seating for six in three rows, fold-flat cargo capability, two sliding side doors and an ultra-light lift gate. As for style, just look. There's an aggressive new front end featuring an integrated body-coloured grille and aerodynamic halogen headlights. Add all that to a truly dynamic ride, and there's no question – this multi-tasker is every inch a Mazda.
